Happy March, Residents and Family Members!

Thank you all for joining us for our Valentine's Day party on the 14th! What fun we had with the photo booth and getting to take Valentine pictures! We will definitely have to do that again next year:)

Don't forget to join us this month for our St. Paddy's Day party on the 17th and wear your green or you know what will happen.....:) Good food, great entertainment and socialization will be there!

I would like to also take this opportunity to welcome our new Memory Care Support Coordinator, Chauncey Brown. Chauncey has great experience and dedication in working with our memory care residents and we are so excited to have him leading the programming with new and exciting activities and programs for our community. Please welcome him to this new and exciting opportunity!

Let's all have a wonderful, fun March!

P.S. Don't forget that we set our clocks ahead this month!

Universal precautions refers to the practice, in medicine, of avoiding contact with patients' bodily fluids, by means of the wearing of nonporous articles such as medical gloves, goggles, and face shields. Use of personal protective equipment is now recommended in all health settings. With the recent events of the flu outbreak, it's important that we practice such precautions in our small communities. Remember it takes one infected person to

contaminate surfaces, and the germs can live up to 48 hours on surfaces most of the time. If we clean and disinfect areas, we can stop the spread before it begins. If you feel ill, report it to the nursing department right away; we are here to help coordinate care services and aid in your well-being. Let's help stop the spread and protect our community from being overwhelmed with illness. Also, it is never too late to ask for the flu shot, or pneumococcal vaccine. This always helps aid in less side effects from flu symptoms. Wash your hands frequently avoid coughing or sneezing on others; cover your mouth or ask for a mask.

See the Benefits of Yoga!

Breathe and stretch with us and enjoy the benefits of yoga! Presentation will begin at 1:30 pm in our Assisted Living Activity room, located on the second floor.

"This Month In History"

MARCH

1912: With a troop of 18 girls, Juliette Gordon Low founds the American Girl Guides in Savannah, Ga. The organization is now known as the Girl Scouts.

1921: To protect the mineral-rich thermal waters of central Arkansas, Congress establishes Hot Springs National Park.

1939: March Madness is born when the first NCAA men's basketball championship tournament is played.

The University of Oregon won the title over Ohio State University.

1941: The superhero Captain America first appears in a comic book.

1958: Perry Como's hit song "Catch a Falling Star" is awarded the first gold record by the Recording Industry Association of America after selling 1 million copies.

1964: The TV quiz show "Jeopardy!" debuts.

1974: The price of a U.S. first-class postage stamp is raised from 8 cents to 10 cents.

1990: Track and field Olympian Jesse Owens is posthumously awarded the Congressional Gold Medal by President George H.W. Bush.

2000: Julia Roberts is paid \$20 million to play the title role in the movie "Erin Brockovich." The record salary made her the highest-paid actress at the time.

2007: Italian sports car manufacturer Ferrari celebrates its 60th anniversary.

2018: Box office ticket sales make "Black Panther" the highest-grossing superhero film in U.S. history.
